

Motion Title:

Second OA Foot Steps Zoom Platform

To Amend:

To add an additional meetings platform

Current:

Currently we have one main platform that has been designated for meetings that commence on the odd hour according to EST. (<https://zoom.us/j/293355222>)

Proposed:

To propose establishing a second zoom room platform for OA Foot Steps meetings that will be held on alternate hours, designated for meetings that commence on the even hour according to EST. (<https://zoom.us/j/99334646706>)

Primary Purpose:

Tradition Five: Each group has one primary purpose - to carry its message to the compulsive over-eater who still suffers.

Intent:

To open up new meeting slots, to allow for additional meetings to take place during the course of the day.

Rationale:

We are increasingly being approached about adding additional meetings on a second platform. It has been approved so far for one meeting. This would allow other meetings to apply for slots on the schedule a little easier, without having to go through the VIG every time.

Implementation:

The meeting room is already established on the zoom platform, and the space can be made available on our calendar. An announcement would be shared to indicate that there are new opportunities to initiate a meeting on our calendar each week.

Cost:

nil - the additional zoom platform is part of our existing business account.

Time Frame:

immediately
