

**Motion: GOLD Zoom Platform: Weekly Meetings**

**TO AMEND:** To change the designation of an existing {GOLD} Zoom platform, to readily accommodate groupings of meetings that meet daily at the same time, 7 days a week.

**CURRENT:** We currently have two zoom platforms that allow for individual meetings that are booked on alternative hours throughout the day. It is difficult to book a meeting that can meet seven days a week with these schedules in place.

**PROPOSED:** To add a third Zoom platform to our roster that is set aside specifically for a cluster of meetings that meet regularly, seven days per week. The first set of meetings booked might determine whether this is an ‘even-hour’ or an ‘odd-hour’ {EST} platform and set the precedent for the remaining meeting spaces on the board to allow for one hour between each potential meeting set, and to allow for optimal usage.

**PRIMARY PURPOSE:** To carry the message to the compulsive overeater who still suffers, by providing a consistent daily meeting platform to allow for recovery.

**INTENT:** To set aside one platform that is entirely devoted to groups of seven daily meetings that consider themselves ‘one meeting’ so that they can easily be added to our meeting rotation.

**RATIONALE:** It is difficult to navigate the current zoom platform schedules to book an entire week’s worth of daily meetings. The Gold Platform is rarely used, if ever at all, and would make better use of this space to reach compulsive eaters who still suffer.

**IMPLEMENTATION:** This third zoom {GOLD} platform would be reserved especially for daily meetings only. The GOLD platform on Zoom was originally designated for **Conventions, Retreats & Workshops**, but has been woefully under-utilized. Any of these bookings that might come in the future could easily be placed on the {RED} or {GREEN} platform, since there are very few incidences to navigate around. This proposal promotes optimal usage of the platforms that are available to us, and part of our monthly subscription with Zoom. Upon approval, our Zoom Platform listing would need to be updated accordingly. {proposed ZOOM Platform listing below}
