

Motion Title:

OAFS ESH Online Magazine Budget Request

To Amend:

non-existent

Current:

there is no such budget set aside for the ESH online magazine at this time

Proposed:

The ESH Magazine committee is asking for a yearly budget to help navigate the virtual world, and to be able to invest in the necessary plugins and other options, that might be required to run and maintain the OA Foot Step's online magazine As an example: we would be asking for the funds to help us purchase premium level plugins that would allow us to collect other forms of media from members, such as video, art, audio, written, poetry, photographs, etc.

Primary Purpose:

To allow the ESH Magazine to purchase necessary plugins to allow the magazine to function fully, and to share our stories with the compulsive eater who still suffers.

Intent:

To give the ESH team an operating budget that will be requested as need arises. This amount might be amended after one year to either increase, or decrease as per usage.

Rationale:

To allow us to operate an online Overeaters Anonymous - OA Foot Steps newsletter share our stories from the many avenues of recovery that are offered on our OA Foot Steps channels, as well as other online OA Resources that might be available.

Implementation:

As needed, the ESH team would request funds from the OA Foot Steps Treasurer to make necessary purchases approved by the ESH team, up to the amount of \$200 USD/year.

Cost:

\$200 USD

Time Frame:

immediately
