

Motion Title:

Postpone the April VIG Meeting

To Amend:

The April 17, 2022 VIG Meeting

Current:

The April VIG meeting is currently scheduled for 3:00 pm Easter Sunday April 17, 2022.

Proposed:

I propose that April's VIG meeting being moved to Sunday, April 10, 2022

Primary Purpose:

To accommodate more attendance. Easter Sunday is a holiday and tends to be a busy family day, so attendance will likely be very low that day.

I propose that the meeting is moved to April 10th rather than April 27th, because the WSBC is being held through the weekend of April 27.

Intent:

The intended result would be to change the date of the VIG meeting.

Cost:

\$0.00

Time Frame:

As soon as possible
