

**Motion Title:**

Postpone The November 2022 VIG Meeting

---

**To Amend:**

The dates of the November 2022 VIG Meeting

---

**Current:**

November's VIG meeting currently is scheduled on Sunday, November 20, 2022 which conflicts with Virtual Region's Fall Assembly.

---

**Proposed:**

I propose that November's VIG meeting is held one week earlier, on Sunday, November 13, 2022.

---

**Primary Purpose:**

The purpose is to change the meeting to one week earlier in order to avoid the conflict, which would cause a low attendance on that day.

---

**Intent:**

In order to have enough people at the VIG to run the meeting effectively including having enough IG representatives present as well to conduct business

---

**Rationale:**

There will be multiple board members and IG representatives attending the Virtual Region's Fall Assembly in November. If the meeting is scheduled one week earlier, there will be fewer conflicts and more people will be able to attend the VIG.

---

**Implementation:**

A simple change on the calendar is all that will be needed

---

**Cost:**

\$0.00

---

**Time Frame:**

---

As soon as possible
