**TOP PRIORITY:** We are working with other committees and intergroups to plan an event for the upcoming **OA Holiday, Unity Day on February 26th**. Watch for more information as it becomes available!

Also in the works

- To purchase or create “business cards” That we can mail in bulk to Trusted Servants from all over so that they can then distribute them anywhere in their area.
- Newcomer website – updating the Newcomer page on our website with the Newcomer pamphlet; later, revamping the Newcomer website completely
- Overhaul of the Professional Outreach page on our website.
- Planning workshops including one on how to talk to your medical professional(s) about Overeaters Anonymous, and

hoping to bring the workshop to different special focus meetings

We are always looking for interested members to join the committee! You are welcome to participate as much or as little as you would like; taking on a project here or there, suggesting an idea for a project, or lending a hand in multiple ways. Currently we are having our meetings every other Saturday. Please check the OAFS schedule for the most up-to-date meeting information.

We are also looking for a dedicated Trusted Servant to take on the Chairperson commitment for the PIPO-UWD committee.
