Why this motion is needed: The motion outlines crucial additional requirements for selecting OA Foot Steps World Service Business Conference Delegates. This is vital to ensuring effective OA Foot Steps Intergroup representation globally. Mandating applicants to demonstrate prior service through regular Intergroup meeting attendance guarantees active engagement. Continuous attendance at Intergroup meetings during the delegate's term reinforces a commitment to ongoing involvement and understanding of local concerns. The requirement for delegates to attend designated committee meetings throughout their term ensures active participation in decision-making processes shaping the OA Foot Steps World Service. The motion aims to enhance representation quality, promote accountability, and strengthen intergroup and global service connections.
