Date:

Why is this required?: Since the Zoom Security Document is proposed as its own separate section in the Policy Manual, this reference to security needs to be taken out.

Cost; approximate if not known: \$0

How will we do this?: The secretary will remove the old language from the Policy Manual

OA Foot Steps Bylaws Committee Comments {if any}:

The Bylaws Committee was given a draft motion by the Security Committee and determined that it needed to be 3 separate motions.
