The Meetings Support Committee manages the TeamUp calendars showing the zoom meeting details and documenting them in the Meeting Support Committee Guidelines.

INTENT:

The intent is to remove this level of detail from the Intergroup Policies and Procedures. This level of detail should be maintained at the committee level in the [Meeting Support Committee Guidelines](#).

COST: None

IMPLEMENTATION: Update Policy

PRIMARY PURPOSE AND RATIONALE: TeamUp Calendars are thoroughly documented in the Meeting Support Committee Guidelines. They have changed several times in the past couple of years; keeping the Policy and Procedures information current is unnecessary. It is a level of detail inappropriate to keep in the Policies and Procedures.
